The Fundraising Office at Dr Kershaw's Hospice has pleasure in announcing it's annual Light Up A Life campaign. The purpose of the scheme is twofold; firstly it is a way in which you can remember a loved one or a friend, this does not have to be someone who has passed away, anyone you wish can be nominated, secondly it raises vital funds that allow the important work and development of specialised services of the hospice to continue.

So how does it work? A large tree at the Hospice will be decorated with lights, which can be individually dedicated and a card to commemorate the light can be sent to whoever you specify. The lights will be switched on following a carol service on the first Sunday in **December at 7:30pm** and will remain lit throughout epiphany between the hours of **3:00pm and 11:30pm**.

Your continued support is very much appreciated by all the staff and patients. Should you wish to take part in what we feel is an apt way of remembering your loved ones and friends at Christmas please complete the form and return it to the Hospice.

Yours sincerely

Lisa Pearson

Fundraising Manager

Gift Aid - Make your gift worth even more

If you are a U.K. taxpayer we can reclaim from the government an additional 25p for every £1 donated at no extra cost to you.

I am a U.K. taxpayer and want Dr. Kershaw's Hospice to treat all my donations from the date on this declaration, until I notify you otherwise, as Gift Aid donations and to claim back the tax on my gift. My tax bill this year will be more than the donations.
